

TOWN OF DELAFIELD BOARD OF SUPERVISORS MEETING
September 25, 2018

Members Present: L. Krause, P. Van Horn, E. Kranick, R. Troy, C. Smith

Others Present: T. Barbeau, *Town Engineer*, D. Roberts, *Highway Superintendent*, P. Kozlowski, *Fire Chief*, J. Formea, *Fire Department Division Chief*, M. Larsuel, *Waukesha County Sheriff's Department*, K. Smith, *Waukesha Freeman*, 20 citizens

First order of business: Call to Order
Chairman Krause called the meeting to order at 7:00 p.m.

Second order of business: Pledge of Allegiance

Third order of business: Citizen Comments
David Bartkowiak, N5W29324 Venture Hill Rd., presented a memo addressed to the Town Board re: proposed changes to Section 17.05 5.A.1 – Hobby Kennels of the Town Code. He is of the opinion that the proposed changes do not meet the statement of intent for the A-2 Rural Home District. If outdoor kennels are allowed in the A-2 districts, the residents will have a long term noise and quality of life issue for years to come. He asked why section 17.05 3.B.7 was deleted from the old conditional use requirements.

Spero Kemos, W304N2426 Maple Avenue, stated that dredging of ponds is being done at the Crystal Springs Condos. He is affected by drainage coming from the Golf Hills Subdivision and is of the opinion that it is the Town's responsibility to correct the issue. Chairman Krause stated that this item will be placed on the next Town Board Agenda.

Fourth order of business: Approval of September 11, 2018, Town Board Minutes
MOTION MADE BY MR. KRANICK, SECONDED BY MR. TROY TO APPROVE THE MINUTES AS PRESENTED BY THE CLERK. MOTION CARRIED.

Fifth order of business: Action on vouchers submitted for payment:
A. Report on budget sub-accounts and action to amend 2018 budget

Chairman Krause stated that the fire department received a \$1500 grant from the Friends of Nashotah for the purchase of a sonar unit for the Town dive boat.

MOTION MADE BY MR. TROY, SECONDED BY MR. KRANICK TO APPROVE THAT THE \$1500 GRANT FROM THE FRIENDS OF NASHOTAH BE ADDED TO ACCOUNT 10-52230-810 AND NOTED AS "FIRE DEPARTMENT OPERATIONS CAPITAL" AND TO ACCOUNT 10-43443 AND NOTED "OTHER FIRE DEPARTMENT GRANT REVENUE". MOTION CARRIED.

Payroll
MOVED TO APPROVE PAYMENT IN THE AMOUNT OF \$48,675.65
MR. TROY/MR. KRANICK **MOTION CARRIED.**

Sixth order of business: Communications (*for discussion and possible action*)
A. Randy Schaefer (9/12/18), Re: Imperial Drive Speed Issue

Chairman Krause stated that this will be addressed in Item 8A.

Seventh order of business:
A. Discussion and possible action on deer management agreement

Clerk Elsner stated that the Town received 50 nuisance permits and, to date, 13 have been issued. Chairman Krause confirmed that the Town may request additional permits if needed.

Eighth order of business: New Business

A. Discussion and possible action on traffic issues within the Town of Delafield

1. Imperial Drive

Chairman Krause provided a summary of traffic studies performed in the subject area in 2005 and improvements completed as a result of the studies.

Engineer Barbeau stated that a traffic analysis for vehicle traffic calming in the area of Imperial Drive, from CTH KE to Winston Way, was performed by Traffic Engineering Services, Inc. They recommended implementation of five actions. The Town Board approved a \$7000 expenditure to satisfy two of the five recommendations: Epoxy paint pavement marking with no passing zones established on an off-center centerline and edge line to create a 3-foot paved shoulder on north side of the roadway and 10 ft. lanes, remove all-way stops and maintain side street stop signs and add special crosswalk marking at 4 crossings with ladder marking and signs. SEWRPC was also contacted to provide traffic volume and speed data in the subject area. The 24-hour machine traffic counts and vehicular speed data were collected in July 2004 and November 2006 at three locations on the study segment of Imperial Drive. The average weekday traffic volumes collected in November 2006 and July 2004 were very similar. The traffic volumes observed in November 2006 were nominally higher, which may be attributed to summer traffic volumes generally being somewhat less than fall traffic volumes. From the vehicle speed data collected in 2004 and 2006, four measures of traffic speed were reviewed: average vehicular speed, 85th percentile speed, 10 mile per hour pace vehicle speed and highest speed recorded. The highest speed observed at the three locations ranged from 42 to 49 miles per hour in 2006 compared to 35 to 48 miles per hour in 2004.

Brenda Martinez, W291N4193 Prairie Wind Cr., stated that she has lived at her residents for 2-1/2 yrs. and the speeding has gotten worse.

Garet Galster, N43 W29216 Prairie Wind Cr. N., stated that he has 2 children and they have to cross Imperial Dr. to go to school. He is of the opinion that speeding is an issue, the lines are no longer visible, duals lines should be marked, crosswalk should be marked and orange rubber markers should be installed along the center line.

Randy Schafer, W291N4193 Prairie Wind Cr., noticed this week that a speed sign was recently installed, and he has monitored excessive speeding.

Captain Larsuel stated that traffic enforcement was performed three days during the week of September 15th that resulted in 5 traffic stops. When deputies are on the scene, they are not seeing any unusually high traffic. The Town Board requested that additional traffic study time be performed by Waukesha County Sheriff's Department and reported back when completed.

2. HWY C

Christopher Reese, W329S292 Cty. Rd. C., presented a petition including 176 signatures requesting 4 items of action in the attempt to lessen the increasingly hazardous traffic on the subject road.

Captain Larsuel stated that Deputy Dunker performed traffic enforcement on three days in September, between the hours of 5:15 p.m. to 6:05 p.m. that resulted in a total of 7 traffic stops. Chairman Krause requested that additional traffic study time be performed after Imperial Dr. is completed.

Maple Ave – Deputy Dunker stated that changing the speed sign going southbound has helped.

Jim Zahorik, 1948 West Shore Dr., Delafield, stated that he owns a 10-acre parcel (greenhouse) off of Hwy. C. Heavy truck volume and speed have caused a serious situation on the road.

3. Golf Hills

4. HWY KE

Captain Larsuel will research other areas to obtain more speed boxes to perform studies in these areas.

MOTION MADE BY MR. KRANICK, SECONDED BY MR. TROY TO TAKE ITEM 8C OUT OF ORDER. MOTION CARRIED.

C. New Hire – Hwy. Dept.

MOTION MADE BY MR. KRANICK, SECONDED BY MR. TROY TO APPROVE THE NEW HIRE FOR THE HIGHWAY DEPARTMENT AS RECOMMENDED BY DON ROBERTS. MOTION CARRIED.

B. Fire Department

1. Waukesha County Fire Department Study

Paul summarized the subject study that began in 2016. He stated that the overall recommendations include: 1. Implementation of a County Wide Dispatch System; 2. Regionalization of EMS; 3. Functional consolidation; and, 4. Long Term Evaluation of Full Consolidation.

2. Fire Station #2

Chairman Krause stated that fire station #2 is not being used by the fire department, but only as a polling location. The Town Clerk was directed to contact DaySpring Church to discuss the possibility of holding elections at their site.

C. Approval of Alcohol Permit for football family event to be held at the Sports Commons on October 14, 12:00-4:00 p.m.

MOTION MADE BY MR. KRANICK, SECONDED BY MR. SMITH TO APPROVE AN ALCOHOL PERMIT FOR A FOOTBALL FAMILY EVENT TO BE HELD AT THE SPORTS COMMONS ON OCTOBER 14 BETWEEN 12:00 AND 4:00 P.M. MOTION CARRIED.
