Baseball/Softball Program charges are modified

For the 2008 season, there have been some minor changes. The only pricing changes this year will be for T-Ball. The fees were increased to cover league fees, equipment costs, field repair and uniform costs. Our costs do trend lower than neighboring communities. The Town's program is a good value for the approximately 300 children participating in it. It should be noted that revenues generated by the increased fees are put back into the baseball program.

We encourage you to review the new pricing structure and look forward to another successful baseball/softball season. Please note registration this year will be on Friday, March 14, 6-8 p.m. and Saturday, March 15, 10 a.m. – 12:00 p.m. If you have any questions or comments about the fees below, please contact James Gruenberg at 262-364-7773 or Dan Dupies, Park and Recreation Chairman at 262-968-2529.
